BALLS LIABILITY WAIVER

- ▶ By signing this safety code and liability waiver, I hereby attest that I have read and understood the Tripoli Rocketry Assn. Research Rocketry Safety Code, and rules that will apply to this launch.
- ▶ I understand that the following risks exist, and that other unforeseen risks can and will sometimes occur.
- ▶ Some of the risks are bodily injury, death from impact to the participants body, burns, etc.
- ▶ I also agree to report any violations of the Tripoli Rocketry Association's safety code or any unsafe condition to the launch officials.
- ▶ I hereby certify that I have had the necessary experience and training to operate high-power & research rockets at my current level of expertise.
- ▶ If a spectator I agree I am aware of the dangers present and will abide by all rules set for this event.
- ▶ I also agree to indemnify and hold harmless the Tripoli Rocketry Association Inc., and the land owner from my participation and or actions at this rocket launch. This also includes any bodily injury that I might incur.

I THE UNDERSIGNED:

- (1) Assume all of the risks, damages, injury, or even death.
- (2) Assume the obligation to exercise the utmost care in pursuit of my activities at this event.
- (3) Will make no claim against the landowner,

Tripoli Rocketry Association Inc., cannot be held responsible for the failure of other participants to abide by the safety code, rules, and regulations, etc.

NOTE: You must be Level 2, or higher, to fly Research Motors. There will be a minimum K CLASS requirement for all Commercial Motors all weekend unless you are doing a Level 1 Certification.
